

Membership Committee

Goal: To engage our SWE-CI members to ensure they have an enjoyable and active SWE experience

- We're looking for volunteers to join the Membership Committee. The goal of the Membership Committee is to engage our current SWE-CI members to make sure they are getting the most out of their SWE membership and to communicate their desires to the executive board and committee chairs for event planning.
- The Committee is responsible for the annual membership banquet, maintaining the active member database, attending biweekly board meetings, and acting as a resource for current and potential members.
- The time commitment needed for the committee is 1 hour per week per month. The busiest time of the year for our committee is in the Spring when we are preparing for the Annual Membership Banquet. Our committee meets as needed.
- You should join this committee if you want to connect with members and potential members, and help to direct the future activities of SWE.
