

Outreach Committee

Primary Responsibilities include:

- Attending twice monthly meetings with the officer board
- Organizing participation and volunteers at local outreach events
- Planning WOW! That's Engineering event (every other year – next one in 2018)

Typical events include:

- Rube Goldberg Machine with Girl Scouts (Q1)
- E-Week at the Children's Museum (February)
- WOW! That's Engineering (every other year; flexible)
- Celebrate Science Indiana (October)
