

Publicity Committee – Website, Bulletin, & Social Media

The goal of the Publicity Committee is to share our events with SWE-CI members and friends.

- The Publicity Committee is responsible for our website (www.swe-ci.org), monthly email bulletin, and facebook page
- If you've got a knack for creative writing, are a social media maven (or master), or enjoy dabbling with websites, this is the committee for you!
- You don't need experience with programming, our website is easy to update, and we use MailChimp for our bulletin.
- Time commitment is about 5 hours per month for the bulletin and 4 hours per month for the website.
- Publicity for SWE-CI is what you make it – you can get the job done or go a little crazy
